

JOSEPH N. GIACOMETTI, M.D.

Office Address: 1500 Tilton Road Northfield, NJ 08225
Office Telephone: 609-646-5200
Office Fax: 609-646-9868

EDUCATION	Jefferson Medical College , Philadelphia, PA Doctor of Medicine	8/2002 – 5/2008
	University of Pennsylvania , Philadelphia, PA Bachelor of Arts, College of Arts and Sciences Major in Biology	9/1998 – 5/2002
POSTGRADUATE TRAINING	Baylor College of Medicine , Houston, TX Cullen Eye Institute , Dept of Ophthalmology ASOPRS Fellowship in Ophthalmic Plastic and Reconstructive Surgery Preceptor: Michael T. Yen, MD	7/2012 – 7/2014
	Yale-New Haven Hospital , New Haven, CT Residency in Dept of Ophthalmology & Visual Science Chief Resident for the Academic Year: 2011 – 2012	7/2009 – 6/2012
	Lankenau Medical Center , Wynnewood, PA Preliminary Year Internship in Medicine	6/2008 – 6/2009
BOARD CERTIFICATION	American Board of Ophthalmology	June 2015 – present
STATE LICENSURE	New Jersey: 25MA09527400 Pennsylvania: MD451265 Delaware: C1-0012026 Texas: P2993 (inactive)	2014 – present 2014 – present 2017 – present 2012 – 2015
WORK EXPERIENCE	Retinal and Ophthalmic Consultants, PC Northfield, NJ	6/2018- Present
	Morgenstern Center for Orbital and Facial Plastic Surgery , Wayne, PA	9/2014 – present
MEMBERSHIPS	American Society of Ophthalmic Plastic & Reconstructive Surgery Fellow and Active Member American Academy of Ophthalmology, Fellow Pennsylvania Medical Society Delaware County Medical Society Connecticut Society of Eye Physicians	2016 – present 2015 – present 2015 – present 2015 – present 2009 – 2012

HOSPITAL & SURGERY CENTER AFFILIATIONS	Atlanticare Ambulatory Surgery Center	2018 – present
	Vineland Ambulatory Care Center	2018 – present
	Limestone Surgery Center	2017 – present
	Crozer-Keystone Surgery Center at Haverford	2016 – present
	Thomas Jefferson University Hospital	2016 – present
	Wills Eye Hospital	2016 – present
	Physicians’ Surgery Center: Lancaster General Health	2015 – present
	Main Line Health Hospital System – Bryn Mawr Hospital	2015 – present
	Jersey Shore Ambulatory Surgery Center	2015 – present
	Vision One Laser and Surgery Center	2014 – present
	Main Line Surgery Center	2015 – 2017
	Delaware Valley Laser Surgery Institute	2014 – 2016
Delaware Valley Orthopedic and Spine Surgicenter	2014 – 2015 (closed)	
ACADEMIC APPOINTMENTS	Clinical Instructor, Dept of Ophthalmology	2016 – present
	Wills Eye and Thomas Jefferson University Hospital

**POSTER
PRESENTATIONS**

Giacometti JN, Yen MT. Comparing the effective dose and duration of action of onabotulinumtoxinA (Botox) and incobotulinumtoxinA (Xeomin) in blepharospasm and hemifacial spasm: an intra-patient analysis. The Association for Research in Vision and Ophthalmology (ARVO) 2014 Annual Meeting. Orlando, Florida. May 2014.

Giacometti JN, Servat J, Materin MA, Levin F. Topical imiquimod in the treatment of conjunctival actinic keratosis. ASOPRS 43rd Annual Fall Symposium. Chicago, Illinois. November 2012.

Lee D, Giacometti JN, Levin F, Servat J, Materin MA. T1799A BRAF mutation in conjunctival melanoma arising from primary acquired melanosis. 2012 American Association of Ophthalmic Oncologists and Pathologists (AAOOP) Annual Meeting. Chicago, Illinois. November 2012.

Giacometti JN, Levin F. The relationship between gender, clinical symmetry, and disease activity in thyroid eye disease. New England Ophthalmological Society Spring Meeting. Boston, Massachusetts. May 2012.

Giacometti JN, Levin F. The relationship between gender, clinical symmetry, and disease activity in thyroid eye disease. ASOPRS 42nd Annual Fall Symposium. Orlando, Florida. October 2011.

**PRESENTATIONS
& LECTURES**

Orbital Infection and Inflammation. Wills Eye Resident Lecture Series. Wills Eye Hospital. Philadelphia, Pennsylvania. April 2018.

High-yield Oculoplastics Review for the Ophthalmic Knowledge Assessment Program (OKAP). Wills Eye Resident Lecture Series. Wills Eye Hospital. Philadelphia, Pennsylvania. March 2018.

The ABCs of Orbital Fracture Patterns. Multi-Specialty Approach to Ocular and Periocular Trauma. Wills Eye Hospital. Philadelphia, Pennsylvania. February 2018.

Update on Orbital Fracture Evaluation and Management. Dinner Lecture at the meeting of the Lancaster County Optometric Society. Lancaster, Pennsylvania. February 2018.

Orbital Infection and Inflammation. Wills Eye Resident Lecture Series. Wills Eye Hospital. Philadelphia, Pennsylvania. March 2017.

High-yield Oculoplastics Review for the Ophthalmic Knowledge Assessment Program (OKAP). Wills Eye Resident Lecture Series. Wills Eye Hospital. Philadelphia, Pennsylvania. March 2017.

Update on Orbital Fracture Evaluation and Management. Dinner Lecture at the monthly meeting of the South Jersey Society of Optometric Physicians. Mays Landing, New Jersey. March 2017.

The ABCs of Orbital Fracture Patterns. Multi-Specialty Approach to Ocular and Periocular Trauma. Wills Eye Hospital. Philadelphia, Pennsylvania. February 2017.
What is an "Oculoplastic Surgeon"? Seminar at Dombrowski Eye Associates. Lancaster, Pennsylvania. May 2016.

Eyelid Lesions: Evaluation and Management. Nevyas Eye Associates Fall Symposium. Mount Laurel, New Jersey. October 2015.

Orbital Disease: Clinical Approach and Case Presentations. Dinner Lecture at the monthly meeting of the South Jersey Society of Optometric Physicians. Mays Landing, New Jersey. October 2015.

What is an "Oculoplastic Surgeon"? and Evaluation and Management of Periocular Lesions, Including Skin Cancers. Paoli Hospital Department of Medicine Grand Rounds. Paoli, Pennsylvania. June 2015.

Eyelid Lesions: Evaluation and Management. Nevyas Eye Associates Spring Symposium. Philadelphia, Pennsylvania. April 2015.

Eyelid Lesions: Evaluation and Management. Dinner Lecture at the monthly meeting of the South Jersey Society of Optometric Physicians. Mays Landing, New Jersey. January 2015.

Oculofacial Cosmetics: What Are My Options? Patient Information Seminar at the office of Dr. Richard Sterling. Blue Bell, Pennsylvania. December 2014.

Orbital Anatomy & Trauma. Resident Lecture Series: Baylor College of Medicine, Dept of Ophthalmology, Cullen Eye Institute. Houston, Texas. July 2014.

IncobotulinumtoxinA Injection: a Novel Adjunct Treatment in Ocular Surface Disease Refractory to Medical Management. ASOPRS 2014 Spring Scientific Symposium. Park City, Utah. June 2014.

Orbital Disease: Clinicopathologic Correlations, Part II. Resident Lecture Series: Baylor College of Medicine, Dept of Ophthalmology, Cullen Eye Institute. Houston, Texas. April 2014.

Percutaneous Bleomycin Injections In Orbital and Periorbital Venolymphatic Malformations In a Pediatric Population. 2014 Austin Oculoplastics Conference. Austin, Texas. March 2014.

Our Experience with Vismodegib in the Management of Extensive Periocular Basal Cell Carcinoma. Houston Oculofacial Plastic Society Annual Meeting. Houston, Texas. February 2014.

Oculoplastics for the Ophthalmic Knowledge Assessment Program (OKAP). Baylor College of Medicine, Dept of Ophthalmology, Cullen Eye Institute. Houston, Texas. February 2014.

High-yield Oculoplastics Review for the Ophthalmic Knowledge Assessment Program (OKAP). Houston Area Mid-Year Review Course for Ophthalmology Residents. Houston, Texas. January 2014

Orbital Disease: Clinicopathologic Correlations, Part I. Resident Lecture Series: Baylor College of Medicine, Dept of Ophthalmology, Cullen Eye Institute. Houston, Texas. October 2013.

Eyelid Lesions: Excision and Reconstruction Techniques. Resident Lecture Series: Baylor College of Medicine, Dept of Ophthalmology, Cullen Eye Institute. Houston, Texas. October 2013.

Update on Clinical Approach to Eyelid Lesions. Resident Lecture Series: Baylor College of Medicine, Dept of Dermatology. Houston, Texas. September 2013.

Orbital Anatomy and Fractures. Resident Lecture Series: Baylor College of Medicine, Dept of Ophthalmology, Cullen Eye Institute. Houston, Texas. May 2013.

Eyelid Lesions: Biopsy and Reconstruction Techniques. Resident Lecture Series: Baylor College of Medicine, Dept of Dermatology. Houston, Texas. March 2013.

Oculoplastics for the Ophthalmic Knowledge Assessment Program (OKAP). Baylor College of Medicine, Dept of Ophthalmology, Cullen Eye Institute. Houston, Texas. March 2013.

What is the Ideal Orbital Implant in the Pediatric Population? 5th Annual Resident Research Day: Yale University School of Medicine, Dept of Ophthalmology & Visual Science. New Haven, Connecticut. May 2012.

The Incidence and Prevalence of Eye Disease in the Bahamas; The Cost-effectiveness of Screening and Treatment for Cataract, Diabetic Retinopathy, and Glaucoma in the Bahamas. Presented to the Research Ethics Committee of Princess Margaret Hospital. Nassau, Bahamas. November 2011.

Clinical Challenges in Neuro-Ophthalmology for the Ophthalmic Technician: Panel Discussion with Q&A. The Connecticut Society of Eye Physicians Annual Scientific Education Program. Plantsville, Connecticut. June 2011.

The Relationship Between Gender, Clinical Symmetry, and Disease Activity in Thyroid Eye Disease. 4th Annual Resident Research Day: Yale University School of Medicine, Dept of Ophthalmology & Visual Science. New Haven, Connecticut. May 2011.

ACADEMIC LEADERSHIP	Orbit Journal Peer Reviewer	2018 – present
	Ophthalmic Plastic and Reconstructive Surgery Journal Peer Reviewer	2015 – present
	University of Pennsylvania Alumni Interview Committee Philadelphia Suburbs Houston, TX	2014 – present 2013 – 2014
	Chief Resident, Department of Ophthalmology Yale-New Haven Hospital, New Haven, CT	2011 – 2012
	Executive Committee Member Resident Physician Representative The Connecticut Society of Eye Physicians	2011 – 2012
	Graduate Medical Education Committee Yale-New Haven Hospital, New Haven, CT	2011 – 2012
	Advocacy Ambassador Representative American Academy of Ophthalmology (AAO) Mid-Year Forum Washington, DC	2010
Thomas Duane Ophthalmology Society Jefferson Medical College, Philadelphia, PA President, 2007 – 2008 Vice President, 2006 – 2007 Underclassman Liaison, 2005 – 2006	2004 – 2008	
HONORS/AWARDS	Dr. Arthur J. and Helen M. Horvat Foundation Scholarship <ul style="list-style-type: none"> • Merit-based scholarship awarded to residents of Northeastern Pennsylvania enrolled in a program leading to a career in the medical or health profession. 	2007 – 2008
	National Heart, Lung and Blood Institute (NHLBI) Scholarship <ul style="list-style-type: none"> • 10-week research stipend awarded to second year medical students, with a focus on projects related to pulmonary, cardiovascular, and hematologic medicine. 	2005
BASIC SCIENCE RESEARCH	Center for Translational Medicine, Thomas Jefferson Univ <i>NHLBI Surgical Research Assistant</i> , Lab of Walter J. Koch, PhD <ul style="list-style-type: none"> • Learned surgical techniques to contribute to gene delivery experiments studying the role of GqI gene therapy in rat models of heart failure. 	Summer 2005
	Department of Neurology, University of Pennsylvania <i>Research Assistant</i> , Lab of Steven S. Scherer, MD, PhD <ul style="list-style-type: none"> • Investigated the role of connexin gene mutations and their effect on the function of gap junctions in the pathogenesis of peripheral neuropathies. 	6/2003 – 7/2004

**PREVIOUS
EMPLOYMENT
& VOLUNTEER
WORK**

New Haven Area Glaucoma Screenings, New Haven, CT 2009 – 2012
Yale Resident Volunteer

JeffHOPE, Philadelphia, PA 2004 – 2008
Student Volunteer

JeffHOPE is a student-run organization of Jefferson Medical College devoted to providing high-quality free medical care at homeless shelters.

Northeastern Eye Institute, Scranton, PA Summers, 1999-2002
Student Ophthalmic Assistant in large group private practice

PERSONAL

Paderewski Gold Medal winner for piano (1996)

Hobbies: listening to and playing music (piano, guitar); crossword puzzles; exercising (running, weight-lifting); cooking; travel.
